Terms & Conditions

Quotation Confirmation & Invoicing

This quotation shall become contractually binding upon written acceptance by the client, issuance of an LPO, or payment of any amount toward the project, whichever occurs first. Upon confirmation, an official tax invoice shall be issued.

Payment Terms

* Payments shall be made strictly in accordance with the approved LPO or as otherwise agreed in writing.

Project Fabrication costing: AED 153,750.00

Truck Payment 100% upfront: AED 78,750.00

- The project payment structure consists of an advance deposit: AED 50,000.00

- Balance due upon completion of fabrication and prior to delivery or handover: AED 25,000.00

* Failure to make payments within agreed timelines may result in suspension of work without liability to TAL Trucks Consultancy FZE.

Project Timeline:

* The estimated project duration is 30-50 days from receipt of deposit, approvals, and final drawings, subject to current production capacity.

* All timelines are indicative and may be revised due to force majeure, material availability, authority approvals, client delays, or scope variations. No delay penalties shall apply.

Exclusions, Unless explicitly stated otherwise in writing, the following are strictly excluded from the scope of work:

- 1) Supply or installation of equipment, including but not limited to cooking equipment, chillers, and freezers
- 2) Transportation, delivery, positioning, or offloading of the unit at the client's site
- 3) Fire suppression or fire-fighting systems
- 4) Signage, branding, wrapping, and vinyl graphics
- 5) RTA approvals, Kitchen Committee inspections, CID approvals, or any authority approvals related to signage or wrapping

Variations & Substitutions

* Any variation, modification, or additional requirement requested by the client shall be subject to a formal variation order and additional cost and/or time.

* In the event that any specified material or component becomes unavailable, TAL Trucks Consultancy FZE reserves the right to substitute it with an equivalent or superior alternative without prior notice.

Permits, Approvals & Third-Party Costs

* All permits, NOCs, inspections, and authority approvals are strictly under the client's scope, including but not limited to Municipality, Civil Defense, Building Management, Décor approvals, and landlord approvals.

* Any deposits, fees, charges, or insurance premiums required by developers, authorities, or third parties are expressly excluded.

Drawings & Submittals

* Detailed shop drawings, layouts, and material submittals shall be prepared and submitted only after job confirmation and receipt of the required deposit.

* Approval of drawings by the client constitutes acceptance of design, dimensions, and specifications.

Warranty & Liability

* A limited warranty of one (1) year applies exclusively to fabrication workmanship under normal and intended use.

* The warranty expressly excludes lighting fixtures, electrical components, rubber parts, consumables, and any damage resulting from misuse, negligence, improper operation, or installation/removal of equipment by the client or third parties.

* Any modification, alteration, or service carried out by third parties without written approval shall immediately void the warranty in its entirety.

* Signage and vinyl wrapping, if arranged, shall be covered solely under the third-party supplier's warranty and are excluded from the fabrication warranty.

* Equipment warranty if arranged, shall be covered solely under the third-party supplier's warranty and are excluded from the fabrication warranty.

* Fire Suppression system warranty if arranged, shall be covered solely under the third-party supplier's warranty and are excluded from the fabrication warranty.

* No warranty provided on painting works.

* Delivery services if arranged, shall be covered solely under the third-party supplier's warranty and are excluded from the fabrication warranty.

Refund & Termination

* All deposits and payments are strictly non-refundable once work has been placed in schedule and production scheduling has been confirmed, regardless of project suspension or cancellation by the client.

* In the event of project suspension or cancellation by the client, TAL Trucks Consultancy FZE reserves the right to remove the project from production schedule, issue no refund on deposits or payments made up to the suspension or cancellation.

Inspection, Acceptance & Final Payment

* The client shall inspect the unit upon completion. Absence of written objections within forty-eight (48) hours shall be deemed full and unconditional acceptance.

* Receipt of final payment constitutes conclusive evidence that all works, materials, and finishes have been inspected, accepted, and completed in full compliance with the approved drawings, specifications, and agreed scope.

* No claims, disputes, or rectification requests shall be entertained after final payment, unless agreed by TAL Trucks Consultancy FZE and client.
